MESH BAG

DIVISION

Grupo Ortiz mesh bags are an essential packaging solution for the agricultural sector, designed to maximize ventilation and protect crops. Their woven structure breathes and preserves product freshness.

Efficient Agricultural Logistics

Our mesh bags offer high mechanical resistance for rough handling in the logistics chain, ensuring that products reach their destination in optimal conditions, minimizing losses and optimizing storage.

Products: - CIRCULAR MESH BAG - CIRCULAR MONOFILAMENT MESH BAG - SIDE SEAM MESH BAG - LAMINATED LABEL MESH BAG

2026

CIRCULAR MESH BAG

Manufactured with 100% virgin polypropylene and raffia construction, this mesh bag offers high resistance and excellent performance in packaging and storage applications. Its quality guarantees durability and reliable performance in handling various products.

Color	Measures (inches)	Measures (yards)
Amarillo-Verde	16.54×30.71, 17.72×32.68, 19.69×27.56, 19.69×30.31, 19.69×33.07, 19.69×35.43, 21.65×33.46, 21.65×34.25, 21.65×37.80, 21.65×40.16	0.46×0.85, 0.49×0.91, 0.55×0.77, 0.55×0.84, 0.55×0.92, 0.55×0.98, 0.60×0.93, 0.60×0.95, 0.60×1.05, 0.60×1.12
